Email: info@tullyshs.eq.edu.au
Attendance Office Phone: (07) 4068 4515

When the weather cleared all that was left was the intense battle which is the Tully SHS athletics day! This was one of the best attended carnivals in the recent past, with outstanding participation in events (teachers running out of room on recording sheets) and many records broken!

Congratulations to Layne Bennet, Gretta Berge, Emma Puia, David Musumeci and Phillip Musumeci for records broken on the day!

Our age champions for the day were:

- U12 Tamzin Muriata
- Andrew Brunello
- U13 Monique Sichter
- Jeremiah Seckington
- U14 Ashlee Durighello
- David Musumeci
- U15 Aimee Sinton
- Thomas Edwards
- U16 Jonty Ivey and Tristan Peach
- Romi Edwards
- Open Aimee Jones
- Brett Anderson

Continued page 2

Overall honours was close with Walter Hill only confirming the win with great relay results, second and third was only separated by 14 points with Tyson getting second over Kirrama, and Mackay taking fourth.

Thank you to all staff, students and parents for your support of Athletics, in particular those staff who helped run events during lunch times and came early/stayed late to set up/pack up. The grounds staff and ag staff for making sure the Tully SHS oval was in top shape and Ms Paul for keeping the staff fed during the day. Good luck to those involved in the District Athletics carnival here on Friday the 7th August.

FROM THE MATHS DEPARTMENT

Maths Quiz

WEEK 4 ANSWER:

$$2 + 2 + 2 = 6$$

$$\sqrt{4} + \sqrt{4} + \sqrt{4} = 6$$

$$(1+1+1)! = 6$$

WEEK 5 QUIZ:

You have a 4 L and a 7 L jug of water. How can you measure exactly 6 L of water using these two jugs?

Solutions can be submitted to Mr Brown at the senior precinct or emailed to mbrow499@eq.edu.au

DISTRICT MATHS QUIZ CHAMPS

Each year the QAMT hold a year 8 Maths quiz across QLD. Teams compete within their district with the top 2 teams from each district competing in the regional finals. The winner from each region then competes in the final in Brisbane early term 4. This year with the introduction of year 7 into high school the rules changed to include at least on year 7 in each team of 3 students. Tully high picked two teams of our highest performing Mathematic students to represent the school. Competing against 2 teams each from Innisfail State College and Good Counsel College (Babinda unable to supply a team) the students competed in five rounds of questions.

Students worked either individually or as a group on timed questions throughout the rounds. Students' estimation, speed, problem-solving and general maths skills were challenged throughout the day. The winners on the day were, Abbey Edwards, Kai Wagner and Daniel Pontil, with a convincing 5 point lead over the closest rivals. They will compete in the regional finals later this term in Mareeba.

Instrumental Music News

The instrumental music program is preparing for the end of year Gala Concert. This year the concert will be held on Wednesday, 21st October (time TBA). Please set the date aside for an evening of musical entertainment by the Ulysses Cluster Instrumental Music Students.

TUNES FROM THE TUBE: TOPOLOGY & THE KRANSKY SISTERS

ARIA nominated quintet **Topology** join the quirky **Kransky Sisters** to present musical mash-ups of your favourite TV and movie themes.

"Tunes from the Tube is full of fun, frivolity and even a few surprises." **BLUE CURTAINS BRISBANE**
