T.S.H.S. STUDENTS SUCCESSFUL

Accounting and Business Awards

A number of awards and scholarships are available to students at this time of the year. Sarah Downing, a Year 12 Accounting student, applied for the Keith Goodwin Memorial Scholarship and won an Encouragement Award of \$300. Layne Threlfall, a Year 12 Business Communication & Technologies (BCT) student, applied for the Australian Institute of Office Professionals (AIOP) Award and won an Encouragement Award of \$300 also. Congratulations girls!

Both girls had to go through an interview process in Cairns. Students who apply for the AIOP Award must be studying in the Business area in the following year to receive any award.

The Year 10 Business class, *Nachobelle*, which made nachos, put together a Marketing Plan which was entered in a competition against Cairns schools. A Marketing Plan shows the marketing processes the business goes through to plan and run a business. They won second prize and \$200. The Marketing Plan is currently on display in the library.

The girls will attend the Business Liaison Association Annual Awards Presentation evening on 3 December in Cairns to receive their prizes.

WALKER MEMORIAL FOOTBALL GAME

The annual Year 12 vs Year 11 Walker Memorial Football match was played in the highest of spirits this afternoon. Some of the schools big name superstars are moving on to bigger and better things soon so this was the last chance for them to don the Tully State High School jersey. With sledging before the game at a good standard, the whole school **attended and waited in bated breath for the first 'big collision'**. **Brett Anderson showed his gazelle - like quality to score the first try of the game, following an offload from fellow Cowboys bound star Jake Clifford.**

The game then settled into a good rhythm with Thomas Banu from Year 11 showing the classic tackle technique. The next try went to Year 12 from a great luck try by Jack Campagnolo. The Year 11s fought back with two trys but the game was sealed with a Gordon Tallis-like run from Miti Tuatai to win the bragging rights. Throughout the game all students got the opportunity to showcase their talents with the backing of the whole school who were in attendance. **I'm sure this will game will remain a fond memory for the departing Year 12s.**

Science Day at Tully State High School

On Wednesday the 21st October Tully State High School held a day for budding junior scientists from the Ulysses cluster. Year 7 students from Tully State High accompanied transition students from St Clares, Tully State, Murray Upper, Lower Tully, Mission Beach, Cardwell and Kennedy. A full day of science was enjoyed: the morning session introduced students to the study of Physics, including participation in experiments in one of the Tully State High School science laboratories that were fun and educational. After lunch, students learnt about the practical elements involved in being a Sports Scientist by applying learnt biomechanical principles to sporting skills the students were able to analyse movement and give feedback on ways to achieve performance and reduce injury.

Thank you to all the schools within the Ulysses cluster for contributing students to the Science day and thank you to Tully State High School for offering such a great opportunity to enjoy the study of science.

Girls	Blouse	\$50.00
	Skirt	45.00
	Tie	15.00
Boys	Shirt	45.00
	Shorts	40.00
	Tie	15.00
Boys & Girls	Jackets	50.00

Boys & Girls	Hats	\$13.00
	Socks	\$ 5.00

Shirts North Uniforms

Polo shirts	\$35.00
Navy shorts	35.00
Sports polo shirts	25.00

Uniform Price Rise

Since the establishment of the uniform shop at Tully State High School, prices have remained stable for a period of at least three years. Unfortunately, as prices have risen, the shop prices need to increase. The new prices will be effective on 23 November, 2015. From the time of printing of this newsletter, parents will have a period of one month to purchase uniforms at the old prices. Also, if stock is unavailable, it can be ordered and paid for at the old costs. If there are any financial difficulties, contact the school or email the P & C at pandc@tullyshs.eq.edu.au.

FROM THE MATHS DEPARTMENT

Maths Quiz

WEEK 3 SOLUTION: The last sum-day of the 21st century is December 31, 2043, because $12+31=43$, and both the month and day are as big as possible.

WEEK 4 QUIZ:

A 100cm x 100cm square metal plate needs to be fixed by a carpenter on to a wooden board. The carpenter uses nails all along the edges of the square such that there are 36 nails on each side of the square. Each nail is at the same distance from the neighbouring nails. How many nails does the carpenter use?

Answers can be submitted to the Maths solution box located in the library.

The result will be published in next week's newsletter.
