### Are you IT literate?

Do you know about metric signs?

To type metric signs, there are three basic rules

1. leave a space between the number and the symbol (2 kg), except for degrees (30<sup>o</sup>C), Celcius (30<sup>o</sup>C), seconds and per cent, eg 5%

2. do not add an 's' to indicate a plural

3. use a lower case letter unless the symbol is named after a person or the symbol is L for litres or C for Celcius.

Examples are: 2 kg, 43 cm, 6 L (litres) or 30<sup>o</sup>C.

Unit names after people are: newton N, pascal Pa, ampere A, hertz Hz, watt W, joule J.

Units not named after people are: metre m, centimetre cm, millimetre mm, kilometre km, gram g, millilitre mL, tonne t and kilometres per hour km/h.

# 2015 Bendigo and Adelaide Bank Scholarship available

## For rural and regional students attending university for the first time in 2015.

Rural and regional students (and their families) face an additional cost burden as they often must move away from the family home to study.

Our scholarship can help relieve some of that cost burden for students whose circumstances might otherwise preclude them from accepting their university course offer.

## Lioness Club Generous Donation

Thanks to the Lioness Club for their \$500 donation towards the new school bus fund. The Lionesses presented the cheque to Glenda Tenni, the key driver behind the recent Golden Jubilee celebrations. The money was raised

selling lamingtons, tea and coffee at the reunion. Jean McQuillan, of the tuckshop, was the recipient of a certificate of appreciation from the Lioness Club for her assistance in the venture.

# TSHS P&C Update

Firstly we'd like to send out a belated "**Happy World Teachers' Day**" to all of our enthusiastic, truth-bearing, inspiring and long suffering Teachers at Tully High. Thank you for your dedication and commitment to our students and for raising the bar towards excellence!

We are still waiting to hear back from the Jubilee Committee as to how the various stalls went, monies made and their conclusions on the festivities of the Jubilee Weekend.

Our minor renovation continues at the Tuckshop:

- Many thanks to parent, staff and student helpers for the stylish exterior paintwork.
- More prepping, painting and posters to hang on the inside.
- EFTPOS launched for Tuckshop and Uniform Shop purchases.

More Keen Kitchen Creators are needed for both our volunteer list of helpers (8.30-10am each week morning) and also for a listing in the Relief Tuckshop Casual Pool of workers – the latter group will be trained and then called on in times of need when our staff are unable to work. If you are, or anyone you know is, interested, please email the P&C direct on [pandc@tullyshs.eq.edu.au](mailto:pandc@tullyshs.eq.edu.au) for more information and/or a copy of the Responsibilities and Terms of Employment.

Finally, there is a Christmas Raffle! Tickets are \$1 each and will be available at the School Office (via Ms Michelle Rodda). Prizes include a solid fishing esky about 80L, two camping chairs, a small **child's tractor and a heap of family vouchers and accommodation in Cairns... just in time for the Christmas Holidays.** If you are keen to sell to family, friends and workmates, call or see Michelle (or email the P&C) to organise a book of tickets. Raffle will be drawn before school finishes so get your tickets now and start selling! Thanks everyone!

And as always, everyone is welcome to the next P&C meeting, to be held 4.30pm on Tuesday 11<sup>th</sup> November in the School Library. Looking forward to seeing you there, caring for and investing in our school.
