YEAR 11 CAMP 2014

The year 11s spent the last three days of the term at Echo Creek Adventure Centre participating in a range of leadership, teamwork and communication based activities in preparation for the rigours of year 12 in 2015. These activities included abseiling, rock climbing, a challenge course (or mud pit), laser tag, raft building and a cultural bush walk. The camp was full of laughter, fun and hard work from all students and I look forward to working with them all in 2015 as our senior leaders. A big thanks to the Ottone family for providing a box of pineapples, without as one student stated 'I wouldn't have survived without!'

Tully State High School acknowledges, values and pays respect to the first peoples on whose land we live, work and learn believing through education and reconciliation we walk together as partners toward a better future for all.

From the P & C:

We decided at the P&C meeting on Tuesday afternoon that we start coordinating the sale of second hand uniforms from our uniform shop.

The P&C would love to offer new homes to all donated uniforms (that have still got a few more years of life in them) from growing or leaving students.

Please drop off your fresh-smelling laundered uniforms to the office or uniform shop (when open) and thanks again for caring about our school family.
