## Welcome to 2015

This week has been a memorable week in the history of Tully State High. **The transition of Year 7's was seamless and a huge success.** Three years of preparation and planning have seen numerous transition activities and cluster events which have equipped our 2015 Year 7 and 8 students for their first day of high school in 2015. I would like to thank staff, parents and cluster schools and students for their help and support in making this a success.

Aidan Richters  
Head of Junior Schooling

*Tully State High School acknowledges, values and pays respect to the first peoples on whose land we live, work and learn believing through education and reconciliation we walk together as partners toward a better future for all.*
