HINCHINBROOK ISLAND 2015

Last week, 15 brave year 12s, 2 teachers and one parent braved the Thorsborne Trail on Hinchinbrook Island! Carrying everything on their backs walking over some extremely steep and challenging terrain for four days definitely pushed everyone.... And everyone met the challenge with a smile and appreciation of what an accomplishment completing this trail truly is. Highlights for students included the view from the top of Zoe Falls, swimming at Mulligan Falls and being responsible for cooking their own meals (that's right – no excuses now!). A massive thank you to our parent helper, Ms Bevan, Tackleworld Tully and Hinchinbrook Ferries (for discounting equipment and ferry costs). This is always a wonderful experience and the students definitely walked away with an appreciation of the environment we live in and their strength of character and determination. Thanks for a great trip!

Tully State High School acknowledges, values and pays respect to the first peoples on whose land we live, work and learn believing through education and reconciliation we walk together as partners toward a better future for all.

Note: only OP eligible students have flexible time for exams, NON-OP eligible student attend classes unless they have an exam.

Years 11 & 12 QCS (Queensland Core Skills) Workshop

Recently, Years 11 & 12 students participated in a QCS workshop. Year 12s also did a Writing Task practice. This provided students with the opportunity to experience the test under the same conditions as the real test. The test is being marked and students will be provided with feedback in the coming weeks. Student test performance should improve when they have had the chance to practise under conditions that are the same as the test, students become familiar with the instructions, the format of the paper and the time-management required to complete the test successfully.

PAT BAILEY CUP

On the 8th of May a group of twenty-four girls from Tully State High School participated in the Pat Bailey Cup in Cairns. The Pat Bailey Cup is a day carnival for Women's Rugby League. Tully was represented by an under 14's, under 16's and under 18's team, every grade at Tully high

was represented on the day. Amongst those present on the day to watch the girls go around were representatives from North Queensland Cowboys, The Jillaroos, and Pat Bailey herself.

Each team played three games on the day, and not one of the girls took a backwards step, showing their toughness and determination each and every second. At the end of the day these efforts did not go unnoticed with seven girls from Tully chosen for

representative teams. The three girls picked in the Under 14's team, Layne Bennett, Essay Banu and Ashlee Durighello, got to play in the curtain raiser to the North Queensland Cowboys vs Manly Sea-Eagles game on Saturday night in Townsville. Their team ended up winning! The 4 girls selected in the Under 16's team Alex Campagnolo, Romy Teizel, Casey Ivey, and Demi Gutchen are going away Friday 5th of June to represent their district and trial for selection in North Queensland Team.

This was a great achievement by not only the girls selected in the district teams, but to every single one of them. In a sport that is male dominated, these girls came out on the day with toughness, determination and a fire in their bellies and overcame the gender stereotypes surrounding Rugby League. Congratulations girls!

HELP

If you can spare:

A pair of shoes; a bunch of pencils; a toy; a dictionary; a bicycle

Then we can share with a kid in Timor. It will be their only pair of shoes, bunch of pencils, toy, dictionary, bicycle.

WOULDN'T THAT BE NICE

Please bring to school or drop off at Helen Wiltshire Gallery or I can pick up.

Thankyou so much. Susanna. Ph# 0448484849.
